

SURGE PROTECTION FOR YOUR HOME

Adams Electric
Cooperative, Inc.
A Touchstone Energy Cooperative

AFFORDABLE OPTIONS TO HELP PREVENT POWER SURGES THAT CAN ENTER YOUR HOME THROUGH ELECTRIC, PHONE, CABLE, OR SATELLITE DISH LINES

SURGEHELP

A program for purchase made available by Adams Electric and independently administered by HomeServe for your home's electronics and appliances in the event of a power surge.

Sign up for as low as \$3.50 a month, for up to \$1,000 in coverage, added to your monthly bill. Subject to terms and conditions. Call 1-800-726-2324 for information and to enroll.

METER HARDWARE PROTECTORS are connected at the meter base or inside the home. This device is used to protect major appliances such as refrigerators, washing machines, etc. The device carries a 15-year manufacturer's warranty.

Unit Price: \$165.36

Unit & Installation Price: \$271.36

CAN'T I JUST BUY SURGE PROTECTORS?

High quality surge protectors are a good idea, but today's average home has 25 appliances and electronics, so protecting them all from every source of electrical surge can be expensive. SurgeHELP covers your appliances and electronics in case of a surge for one, low monthly fee.

DOESN'T MY HOMEOWNER'S INSURANCE OFFER THE SAME COVERAGE?

Some policies will not cover this sort of damage. Even when the damage is covered, the deductible can often be as much as the repair.

WHAT DO I DO IF I HAVE A CLAIM?

Call 1-833-521-4824 and a member of SurgeHELP's repair management team will help you file the necessary paperwork.

HOW DO YOU DETERMINE REPLACEMENT COST FOR ITEMS THAT CANNOT BE REPAIRED?

Replacement cost is up to the benefit limit and based on the typical purchase price of the most similar product available on the market today, taking into consideration the make, model and features of the item being replaced.

HOW WARRANTIES WORK

Quality surge protectors come with warranty coverage against surge (over voltage) damage that can range up to \$6 million. Most warranties specify how and where the protector should be installed. Make sure you follow those instructions when installing surge protection to avoid voiding any warranties.

PICK THE PLAN THAT WORKS BEST FOR YOU

\$3.50 per month for up to **\$1,000** protection per year

\$5.00 per month for up to **\$2,000** protection per year

\$6.50 per month for up to **\$3,000** protection per year

\$8.00 per month for up to **\$4,000** protection per year

\$9.50 per month for up to **\$5,000** protection per year

Call for terms and conditions. HomeServe, PA #053636 is an independent company separate from Adams Electric Cooperative and offers this optional service plan as authorized by the service contract provider, North American Warranty, Inc., 175 West Jackson Blvd., Chicago, IL 60604.
