About the \$250 Direct Deposit Bonus: From 3/1/2021 to 12/31/2021, PSECU is running a new member promotion. To receive \$250, participants must join during the promotion period and satisfy the promotional requirements within 90 days of establishing membership. PSECU will deposit \$250 into the Regular share within 45 days after the requirements are satisfied. \$5 is required to open and maintain a Regular share account. This \$5 share deposit is also required to be eligible to receive the \$250, and the member must be in good standing as defined by PSECU's Bylaws Article II, Section 1. A \$5 minimum share purchase will be made on behalf of the new member by PSECU. If the member account is closed within the first year of membership, the initial \$5 share will be retained by PSECU. The Annual Percentage Yield on PSECU's Regular share account is 0.05%. This variable rate is current as of 12/31/2020 and may change. Withdrawals and fees may reduce earnings on the account.

*No purchase necessary. To receive \$250, new members must: join PSECU before 12/31/2021 with a promotional code; sign up and be approved for checking, debit card, and digital banking (online or mobile); and establish one or more qualifying payroll direct deposit(s) that together total \$200 per calendar month, recurring monthly, within 90 days of establishing membership.

**If you use a PSECU debit card at an out-of-network ATM and get charged, we'll rebate fees on withdrawals up to \$20 per month with direct deposit, and up to \$8 per month without.
